**Crewkerne MEN'S SHED** is situated in a former showroom at 14a East Street, Crewkerne. Open to all – it is not gender specific, despite the title.

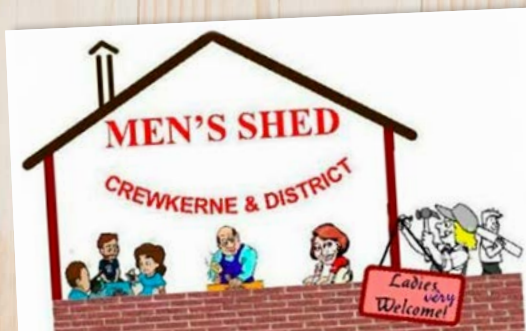

Walking in, one is immediately aware of a fantastic atmosphere of industry, friendship, support and innovation. Their aims are various, but centre upon inclusion. The founders welcome all levels of skill and in particular offer support to those coping with change – retirement, bereavement, redundancy, illness or just moving to a new area and looking for friendship.

Whilst the main material is wood, there are some lovely examples of coloured copper and glazed items.

Ideas are nurtured and encouraged. Novices are coached and guided to make their very first creation. There is no pressure and spectators are welcome – but usually soon become “hands-on”. Mens Shed work on the principle of “friendship from shared tools, shared expertise and shared experiences”.

Collaboration with town projects - via our FIX-IT! program, such as renovating signs, has broadened the outlook of the Mens Shed and given members a real feel of long term purpose.

If you are interested just pop along to one of their sessions, meetings are every Tuesday and Thursday 10am - 1pm.

## BROTHERS & SISTERS ARE A PERFECT BLEND OF A HAIRDRESSING SALON WITH A MODERN DAY BARBERS' SHOP

Our compact salon is beautifully designed, and our team of five enthusiastic staff are all local to the area. Working rotas, the salon rarely has more than three staff members on duty at once, which captures our aim of a friendly, personal service.

We offer all the services of a traditional barbers' from shaves to skin fades. We use the most up-to-date tools, equipment and products. For example, "Kevin Murphy" for colouring and styling, a brand renowned for its ethics, with a large range of vegan products.

The mix of barbers' along side hairdressers has enabled mens' longer hair styles to be created in a barbers setting. The hairdressing side offers luxury to a regular cut and blow-dry or colour service. Massages and heated towels are used to ensure clients feel a real escape and unwind from the rigours of life. Training and refresher courses keep us up to date with the latest innovations and education in the industry.

Our progress in the hair-dressing and barbers industry helps us progress our business, and we recently entered the finals of the British hairdressing industry awards - Newcomer of the Year category.

Brothers & Sisters is a salon that is quickly becoming a popular choice. Please book in soon to enjoy your experience!

**Crewkerne Antiques (Est. 1991) is now CREWKERNE ANTIQUES & INTERIORS having been bought by Steve & Teresa Ilett, and open again after a short closure in January for refurbishment work.**

Steve began his career in the furniture trade in 1978 working for a large multi national company. During his time there he was awarded a scholarship to study the National Association of Retail Furniture Diploma. He went further in the areas of carpets and floor coverings - even running an antique centre and auction house for a while, but came back to furniture by launching **Country Style Furniture** in 1994.

Initially restoring antique pine and country furniture, he soon began making bespoke

furniture all with the "country style" and now makes everything from a coat rack to a kitchen, with customers all over the country.

Teresa came on board in 2007, using her skills from a background in customer services, and managed their retail outlet in Somerton.

In 2016 she opened **Hen House Antiques** at Martock alongside Steve's workshop, selling country pine and painted furniture along with a selection of antiques.

**Crewkerne Antiques** maintains its reputation for quality antiques, but with Steve & Teresa at the helm can now offer a wide range of pine, country furniture and decorative antiques, with an aim to build up the existing business.

Trader space as both cabinet and floor space will be available so if you'd like to be a part of this successful centre then do enquire...

# CREWKERNE MUSEUM & HERITAGE CENTRE

## 2020 promises to be an exciting year at the museum!

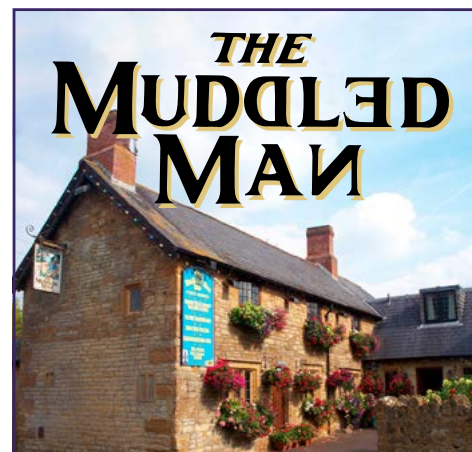

It is the 20th anniversary of being in our beautiful building, The Heritage Centre, in Market Square. In addition to the usual events (Talks & Teas, Guided Walks, Free activities for children, etc) we are planning some special exhibitions, interactive events and some things just for fun which we hope you will join us to enjoy. A booklet advertising all events will be available when we open on 4th April. The museum is now closed for the winter but there is still a lot of activity behind the big black door. Some of our galleries will be redecorated including stabilising the old plaster on stone walls – a Grade 2 listed building demands a lot of time

and money to keep it looking good. New special exhibitions are being planned and the building will undergo its annual "Big Clean" before the new season.

All of the work carried out is done by VOLUNTEERS! We only use professionals when we cannot manage something ourselves and regulations require it. If you have some time to spare and you would like to belong to a friendly group there is always something that would suit you. From STEWARDS, MAINTENANCE to RESEARCH we can find you something. Volunteers don't need to be historians or even interested in history - but that would make it more enjoyable! Contact us to arrange a visit to chat about what we can offer you.

# RESIDENTIAL DEVELOPMENT IN CREWKERNE

The Winter 2019 edition of **The Crewkerne Flyer** saw 2 articles covering the controversial proposals to build 150 houses at the top of Kithill. These proposals generated an almost unprecedented reaction from Crewkerne Town Council, and residents. As a result South Somerset District Council rejected the proposals at their Area West Committee meeting in August 2019. This was subsequently ratified by the District Council's Regulation Committee at their meeting in September. But this is not the end of the story. The developer immediately submitted an appeal, which must now follow a prescribed process. The Government's Planning Inspectorate have assigned an inspector to review the evidence and make a decision on whether the appeal will be upheld. Crewkerne Town Council has encouraged members of the

public to write to the Planning Inspectorate with their concerns before the deadline of 21 January 2020. The final decision on the Appeal will be released before the end of February 2020.

In the original submission for the Kithill planning application, the failure of other permitted developments to materialise in the Town was cited as a reason to approve the Kithill proposals.

**CLR:** The euphemistically named CLR Development, was originally approved in 2011, and permitted 525 homes to be built between the A30 and A356 roads, and also provided 10ha of employment land with a relief road, has not yet commenced. Delving into this a little further, it appears that the developers Taylor Wimpey now consider CLR to be unviable. Documents

available online (14/02141/OUT) - cite the road costing £7.5m, and other "Planning Contributions" such as "education", "doormouse mitigation", and "use of natural stone" a further £9.6m. The grand total is over £17m. Little wonder that Taylor Wimpey want to renegotiate their contribution, whilst adding a further 175 homes, and a 60-bed care-home, in an attempt to pay for the Planning Contributions.

The validity of their request to reduce the contribution has been confirmed by the District Valuer, who acknowledged the Planning Contributions make the original proposals unviable. A scaled down version of this additional proposal (now 110 homes) was approved by SSDC in February 2016.

**But here we are in February 2020, with no further progress?**

**VINEY BRIDGE MILLS:** This conversion of Victorian and earlier industrial buildings, to provide 58 residential units and 242sqm of industrial space, was approved in January 2014. The buildings are Grade II Listed, and represent an important part of Crewkerne's industrial heritage. Sadly 6 years after planning approval, no work has commenced, and the buildings are neglected and in a very poor state of repair. The developers, Coxley Developments cite lack of viability as the reason they have not commenced work.

**So maybe there is some credence in the Kithill development coming forward to provide much needed homes, if other developments are frustrated because they are not viable?**

## Crewkerne newcomers to South West in Bloom go home very happy!

October 2019 saw 4 members of Crewkerne in Bloom attend the awards ceremony in Newquay. What an eye-opener for them and they were pleased to find that volunteers from the Severalls War Memorial were also there.

The afternoon resulted in the enormous surprise for Crewkerne in Bloom – a Gold Award for the town's entry in the SWTA Class swiftly followed by the SWTA Cup. What a thrill to receive these from Lady Emma Fellowes, and then to find that Crewkerne were awarded the Best Newcomer Class and received the Vic Verrier Cup from Lord Julian Fellowes. As if that were not enough, to top it all

Bincombe Beeches were proclaimed the winners of the Sutton Cup for the Best Nature Reserve a category for which the Judges had nominated them.

To start the fundraising for 2020 we planted pots of hyacinths which we sold at the Farmers Market and in The Rotary Shop in the run up to Christmas. Our thanks to Rotary for their support.

Their beautifully restored hamstone premises is at 1 High Street, on the corner of North Street and holds an intriguing history.

Both have worked in the hospitality industry over the years, Paul as a head chef in various restaurants and Mandy in the events world, and as the manager of detox and health retreats.

## FilmCrew - Crewkerne's Community Cinema presents...

### Fri 14th February - 'BlacKkKlansman' (2019) (15)

From director, Spike Lee - it's the early 1970s, and Ron Stallworth (John David Washington) is the first African-American detective to serve in the Colorado Springs Police Department. Determined to make a name for himself, Stallworth bravely sets out on a dangerous mission: to infiltrate and expose the Ku Klux Klan. The young detective soon recruits a more seasoned Jewish colleague, Flip Zimmerman (Adam Driver), into the undercover investigation of a lifetime.

### Fri 13th March - 'The Guilty' (2018) (15)

Alarm dispatcher Asger Holm answers an emergency call from a kidnapped woman. When the call is suddenly disconnected, the search for the woman and her kidnapper begins. With the phone as his only tool, Asger enters a race against time to save the endangered woman.
